

Deep Love (Nitin Sawhney Remix)

Mandalay

Now I can trust you now I as I feel at ease how lost in you should I be
Now I can see you clear as the day begins how lost in this should we be
Share and say you'll bring to me deep love you can't say that it's too soon
To say how you feel Share and say you'll bring to me deep love just don't say that it's too soon
To say how you feel
Now as I touch you here as the day begins how lost in this should I be
