

# My Heart Stood Still

**Bud Powell**

I took one look at you  
That's all I meant to do  
And then my heart stood stillMy feet could step and walk  
My lips could move and talk  
And yet my heart stood stillThough not a single word was spoken  
I could tell you knew  
That unfelt clasp of hands  
Told me so well you knew  
I never lived at all  
Until the thrill of that moment  
When my heart stood stillI took one look at you  
That's all I meant to do  
And then my heart stopped right thereMy feet could step and walk  
My lips could move and talk  
And yet my heart stood stillThough not a single word was spoken  
I could tell you knew  
That unfelt claps of hands  
Told me so well you knew  
I never lived at all  
Until the thrill of that moment  
When my heart stood still
