

# Softly as I Leave You (Mono Single Version)

[Matt Monro](#)

Softly, I will leave you softly  
For my heart would break if you should wake and see me go  
So I leave you softly, long before you miss me  
Long before your arms can beg me stay  
For one more hour or one more day  
After all the years, I can't bear the tears to fall  
So softly, as I leave you there

Softly, long before you miss me  
Long before your arms can beg me stay  
For one more hour or one more day  
After all the years, I can't bear the tears to fall  
So softly, as I leave you there  
As I leave you there  
As I leave you there
