The Winehouse

Jeremy

Overgrown sorrow
Lost in a fight too many times
Punch in a wall,
Out of patience
Give me them troubles
Let's have it, then, all to the bone
Making mistakes,
Out of patience.

Leave me alone.

Leave me alone and if I
Have to let go
It's all right, I'll be fine
Nowhere to pin-up the pain
I won't fight
I won't fight me

I'll be fine.
