Black & Blue

Miike Snow

How long has it been, shall we get into it again?

Excuse our disgrace, we've had no time to paint the place

The dog is always barking at the mailmanI won't waste your time with my revelation

Hello my friend, I see you're back again

Hello mystery, don't bother to explain

How 'bout maybe it's all been in my head

Hey world, I'm tired of this black & blue, black & blueMy dear, come again, your voice is fading out and in Out of the laundry bin, I found my innocence again

The dog is always barking at the mail manI won't waste your time with my revelation

Hello my friend, I see you're back again Hello mystery, don't bother to explain

How 'bout maybe it's all been in my head

 $Hey world, I'm \ tired \ of \ this \ black \ \& \ blue, black \ \& \ blueHello \ my \ friend, I \ see \ you're \ back \ again$

Hello mystery, don't bother to explain

How 'bout maybe it's all been in my head

Hey world, I'm tired of this black & blue, black & blue
