

She Understands Me

Johnny Tillotson

Whoa whoa dum de da de dum de da de do
Whoa whoa dum-de-da de dum de da de do
You ask me why, why I
love her
Whoa whoa dum de da de dum de da de do
I'll tell you why, why I love her
Whoa whoa dum de da de dum de da de do
She understands me the way you never did
She loves me she loves me the way you never did
She takes the time to notice I'm around
She builds me up she never lets me down
Whoa whoa dum de da de dum de da de do
Whoa whoa dum de da de
dum de da de do
You wanta know if I'll come back to you
Whoa whoa dum de da de dum de da de do
After knowing her no other love will do
Whoa whoa dum-de-Da de dum de da de do
She understands me the way you never did...That's why I love her
(whoa whoa dum de da de dum de da de do)
I'll always I love her (whoa whoa dum de da de dum de da de do)
She understands me (whoa whoa dum de da de dum de da de do)
I'll always I love her (whoa whoa dum de da de dum de da de do)
