

Don't Trust Em

Hopsin

Hey yo, pass me a Kleenex before I lay this shit down
I can't believe this shit man
I tried to be a lover boy, little bitch broke my heart
Words of wisdom
Don't trust a hoe
Don't you ever ever trust a hoe
Don't trust a hoe
Don't trust a hoe
Don't you ever, ever, ever, ever, trust a hoe
Cause ooh ooh ooh they be lying
They'll slip behind in your service
Ooh ooh ooh they be lying
What have I done to deserve this?
What happened to be honest with me and I'll be honest with you
Your whole past Ms. Innocent I thought was the truth
Bitch had me felling ill on my knees barfing my food
I'm no longer the same nigga now; I'm heartless and rude
My homies said never trust a hoe, but I casually ignored it
till I got caught up in it, now I see the reason for it
but I had to be retarded, go and release my heart
I always thought that I'll bring the drama, never knew that she was sparkin'
That's just the way to learn, I go the tables turned
To get to my cold state of mind I had to make it burn
For pussy, one night stands is my only source
Fuck that love shit little bitch, I'm feelin' no remorse
Why should I? You had me acting like a fool
Trapped inside your loop because you're afraid to sacrifice the truth?
Come on, how many niggas you really fuck with?
How many time you really suck dick? Quit lying to me you dumb trick.
Man don't trust em don't you ever ever trust a hoe don't trust em
Don't you ever ever ever trust a hoe
Cause ooh ooh ooh they be lying
They'll slip behind in your service
Ooh ooh ooh the be lying
What have I done to deserve this?
I'll never find love, screw it, fuck it, been through enough shit
There's nothin' you bitched can do to go renew your justice
I'm too disgusted and I'm tired of being played with
You should have thought about all this pride in the occasion you fucked around

Thought for a while you were amazing till I got the pieces
and pilled up the equation

Had a nigga goin'™ in and out your crotch
not knowin'™ this little skank done been around the block

A year later out the blue we having trust issues

After I already fell in love with you

Come to think of it the image does fit you

You fucked every nigga on the thug menu

And I'm™ the dumb kid who thinks he found his soul mate

He's™ blinded by the light till it goes dim,

Now his hand is right beside a knife

A violent type of life is what society offers,

Man, why even bother?

Just remember

Don't™ trust a~em, don't™ you ever ever trust a hoe

Don't™ trust em don't™ trust a~em

Don't™ you ever, ever, ever, ever, trust a hoe

a~cause ooh ooh ooh they be lyin'™

They'll™ slip behind in your service

Ooh ooh ooh they be lyin'™

What have I done to deserve this?

They'll™ hide their colors from ones they wanna love

Even if you ask her, more than likely she ain't™ gonna tell

Been through this too many times so take it from me, ooh take it from me

Yo if you about to fall in love you need to think twice on it

a~cause girls are triffin'™, they'll™ start lyin'™ when they invite you in

Have you feeling like the man; you think you found a keeper

Girls have said they love you; but when she say it, the sound is sweeter

You love is drowning deeper, now she's™ acting like she smoking pounds of reefer

Confessing that whole fuckin'™ town done beefed her

Then you like a~I left this bitch with my heart, she ripped it apart, I should have seen this from the startâ€•

The shit you and her go and do it sounds nice

But the fact remains, you don't™ turn a hoe into a housewife.

That's™ what the fuck I did, and I regretted it, that's™ why I'm™ negative

No medicine could get rid of this

The next bitch who lies to me, watch me damager her

I'm™ pickin'™ her up and body slamin'™ her

And that's™ real, so if you think your girls a hoe but you didn't™ witness it,

Assume she's™ a hoe, a~till proven innocent

And just remember;

Don't™ trust a~em, don't™ you ever ever trust a hoe

Don't™ trust em don't™ trust a~em

Don't™ you ever, ever, ever, ever, trust a hoe

a~cause ooh ooh ooh they be lyin'™

They'll™ slip behind in your service

Ooh ooh ooh they be lyinâ€™™
What have I done to deserve this?
Fuck love. Donâ€™™t hate me.
Hate these lyinâ€™™ ass bitches for making me make you hate me
