

She Rides the Waves

Pale Saints

How many times
Have I seen that look upon your face?
I need to know exactly
Where it is you go
Then I watch it wash all over you
Then I let it rush all over meHow many times
Will you come and go before you stay?
Crawl out of your hole
And tell me what it's like in there
Then I watch it wash all over you
Then I let it rush all over meThen I watch it wash all over you
Then I let it rush all over me
Then I watch it wash all over you
Then I let it rush all over me
