

# Sometimes

## Joey Tempest

Sometimes I no longer think  
I have to leave this town alive  
Sometimes I get over the feeling

That I'm living underground You're always just in time Cause when I'm feeling lost

A little means a lot

When I've given all I've got  
A little means a lot

A few small words from you Sometimes I close my eyes

I dream a sky in this basement  
Sometimes I'm living without

Having to know every answer You're always just in time Cause when I'm feeling lost

A little means a lot

When I've given all I've got  
A little means a lot

A few small words from you
