

Start Without You

Alexandra Burke

Don't make me start without you Eh, hey, I'm like a beast
Eh, hey, I'm like a beast
DJ dropped the record, I'mma start a stampede
He dropped the record, I start a stampede Eh, boy, I push it out
Eh, boy, I push it out
Fire, move my body like a merry-go-round
Front to the back, I'll make you go 'round Get like me, get on the dance floor
Get like me
I don't want to start without you Oh, here I go, drip-drop it way down low
You're 'bout to miss, winding to this, don't make me start without you
Oh, here I go, you're movin' way too slow
I'm coming up, put down your cup, don't make me start without you I don't want to start without you
I don't want to start without you Eh, boy, way that I move
Eh, boy, way that I move
Body like a weapon that'll make you go boom
Hip like a drum I'll make you go Eh, boy, oi, where you at?
Eh, boy, oi, where you at?
You're the only one that I want on my back
The only one I want on my back Get like me, get on the dance floor
Get like me
I don't want to start without you Oh, here I go, drip-drop it way down low
You're 'bout to miss, winding to this, don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up, put down your cup, don't make me start without you Hear it out, push it out, watch it how she
work it out
Poppin' a couple of bottles, drink it all and get another round
I know you love to rub a dub with a thug
Don't start without me, I just got in the club You steal the show, no competition
Beauty after thinks is for your invention
Drop it for me hey, like ya give me amnesia
Shake it, shake it, shake it, like your booty got a seizure Take it down, propeller, she winding, winding, wind
I'mma press up behind, behind, behind
My girl, she know what to do
Drop for me, missile that'll make you go boom Get like me
Get on the dance floor
Get like me
Get on the dance floor Oh, here I go, drip-drop it way down low
You're 'bout to miss, winding to this, don't make me start without you
Oh, here I go, you're moving way too slow

I'm coming up, put down your cup, don't make me start without you
Oh, here I go, drip-drop it way down low
You're 'bout to miss, winding to this, don't make me start without you
Oh, here I go, you're moving way too slow
I'm coming up, put down your cup, don't make me start without you
