Have I been left here alone to die?  
I know I'm breathing but am I alive?  
Check my vital signs before they disappear  
Oh God are You near?  
I am in distress, come and save my life  
This is my S.O.S. screaming up to the sky  
Holy Father make us whole  
?Cause You alone can save our souls  
Precious time is tickin' away  
And all that I can do is pray  
?Cause this is sink or swim and I am lost at sea  
Oh God rescue me  
I am in distress, come and save my life  
  
This is my S.O.S. screaming up to the sky  
Holy Father make us whole  
?Cause You alone can save our souls  
My cry for redemption  
I'm a dying breed  
Give me salvation  
You're the one I need  
I am in distress, come and save my life  
This is my S.O.S. screaming up to the sky  
Holy Father make us whole  
?Cause You alone can save our souls  
Can save our souls
