

Leave with Me

Warhaus

There's a foul combination
Just like fever a celebration
I'll hate it if i'm losing

I will love you if i'm choosing all rightYou're the smoke babe, the confusion

You're my favourite new illusion
Keep your secrets, keep your danger

Love me baby like a stranger tonightMy credentials you can change it

My whole mindset rearrange it
Only so much to believe in
It's about time that you're leaving
With me
That you're leaving
With me
