

# Hollywood (Gabin's Organic Mix)

## West Indian Girl

It's okay, it's alright  
It's okay, it's alright All alone, summer night  
With words you said to me  
Our lives lead other lives  
When all our senses are revealed It's okay it's alright  
It's okay, it's alright In Hollywood, the rivers fly  
In Hollywood, the sky's alive  
In Hollywood, your fears come out to play What have you become, a fool in love  
Around and around a million ways to get there  
And we don't care, who would believe  
And all those things we said that night It's okay, it's alright  
It's okay, it's alright In Hollywood, the rivers fly  
In Hollywood, the sky's alive  
In Hollywood, your fears come out to play Hollywood  
I love  
I love you  
I love you  
I love you  
I love you In Hollywood, your fears come out to play  
In Hollywood, the rivers fly  
In Hollywood, the sky's alive  
In Hollywood, change your life today
