

# What Have I Got to Lose?

## Doug & Deb

You said, if I ask You, You will be there.  
You said, if I trusted You, You would direct.  
So help me to hear You and help me to know,  
What have I got to lose?

When I close my eyes, I see Your truth.  
In times like these, yeah  
What have I got to lose?  
When Iâ€™m on my knees, You stand for me.  
So tell me, tell me please,  
[What have I got to lose?]

Losingâ€™s never easy, leaving all behind me.  
But You let go of everything,  
thatâ€™s how You set us all free.

What have I got to lose?  
When I close my eyes, I see Your truth.  
In times like these, yeah  
What have I got to lose?  
When Iâ€™m on my knees, You stand for me.  
So, tell me, tell me, please  
What have I got to lose?

Iâ€™ve got nothing to lose, everything to gain.  
Iâ€™ve got nothing to lose, how â€™bout you?  
Iâ€™ve got nothing to lose, everything to gain.  
Iâ€™ve got nothing to lose.

Iâ€™ve got nothing to lose, everything remains.  
Iâ€™ve got nothing.  
What have I got to lose?  
When I close my eyes, I see Your truth.  
In times like these, yeah  
What have I got to lose?

When Iâ€™m on my knees, You stand for me.  
So tell me, tell me please, [What have I got to lose?]  
When I close my eyes, I see You.  
In times like these, yeah

What have I got to lose?  
When Iâ€™m on my knees, You stand for me.  
So tell me, tell me please,  
What have I got to lose?
