

Move for Me

Kaskade

Another night out, another dancefloor
Another night out, another dancefloor
Another night out, another dancefloor
(Move for you)
Another night out, another dancefloor Here we go, another night out
Waited all week just to get out
Where do we come from, do I know your name?
Doesn't really matter, in this life we're all the same Move for me, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you A DJ, a light-show
Speakers putting out, as we go
This way and that way, getting past the night
Doesn't really matter, in this club we're all the same Move for me, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you Another night out, another dancefloor
Another night out, another dancefloor
Another night out, another dancefloor
(Move for me)
Another night out, another dancefloor
(Move for me) Another night out, another dancefloor
(Move for me, I'll move for you)
Another night out, another dancefloor
(Move for me, I'll move for you)
Another night out, another dancefloor
