

# New In Town (Bimbo Jones Remix)

## Little Boots

Heard you're new in town, want someone to show you 'round

Well, no one knows this place just quite like me

Well, I don't hang with the crowd where I go we're dressing down

I'll take you where the music plays for freeSo don't rely on people you meet

'Cause no one is safe in these streetsI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a good timeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a real good timeSo what do you think so far? Is it all you're hoping for?

Does it live up to your every dream?

Or do we disappoint? Well you made the choice

When you wake up can you hear the scream?So don't rely on people you meet

'Cause no one is safe in these streetsI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a good timeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a real good time'Cause I know how it feels to be alone

When strangers only make you feel the cold

You never ever felt so far from home

You never felt so far from homeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a good timeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a real good timeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a good timeI'm gonna take you out tonight

I'm gonna make you feel alright

I don't have a lot of money but we'll be fine

No I don't have a penny but I'll show you a real good time
