Collection Of Stamps

I'm from Barcelona

And I've got one from Spain and two from Japan
I got a couple from Israel and Azerbaijan
I got a plenty from Poland but none from Sudan
Or from Fiji or UzbekistanDid you know I can't believe I'm telling everyone that I know
That every stamp in my collection is a place we could goAnd I got one from Chad and two from Nepal
I got a couple from India and Benin as well
I got a plenty from Poland but none from Sudan
Or from Fiji or UzbekistanDid you know I can't believe I'm telling everyone that I know
That every stamp in my collection is a place we could go
Did you know I can't believe I'm telling everyone that I know
That every stamp in my collection is a place we could goAnd it's okay, it's alright
I'll come to your place when you sleep tonight
It's okay, it's alright
I'll come to your place when you sleep tonightIt's okay, it's alright
I'll come to your place when you sleep tonight
It's okay, it's alright
I'll come to your place when you sleep tonight
