

# Disturbia

## Neus

What's wrong with me?  
Why do I feel like this?  
I'm going crazy now  
No more gas, in the rig, can't even get it started  
Nothing heard, nothing said, can't even speak about it  
All my life on my head, don't wanna think about it  
Feels like I'm going insane, yeah  
It's a thief in the night to come and grab you  
It can creep up inside you and consume you  
A disease of the mind, it can control you  
It's too close for comfort  
Put on your brakelights, you're in the city of wonder  
Ain't gon' play nice, watch out you might just go under  
Better think twice, your train of thought will be altered  
So if you must falter be wise  
Your mind's in disturbia, it's like the darkness is light  
Disturbia, am I scaring you tonight?  
Disturbia, ain't used to what you like  
Disturbia, disturbia  
Faded pictures on the wall, it's like they talking to me  
Disconnecting on calls, the phone don't even ring  
I gotta get out or figure this sh\*\* out  
It's too close for comfort, oh  
  
It's a thief in the night to come and grab you  
It can creep up inside you and consume you  
A disease of the mind it can control you  
I feel like a monster, oh  
Put on your brakelights, you're in the city of wonder  
Ain't gon' play nice, watch out you might just go under  
Better think twice, your train of thought will be altered  
So if you must falter be wise  
Your mind's in disturbia, it's like the darkness is light  
Disturbia, am I scaring you tonight?  
Disturbia, ain't used to what you like  
Disturbia, disturbia, disturbia  
Release me from this curse I'm in  
Trying to maintain but I'm struggling  
If you can't go-o-o

I think I'm gonna ah, ah, ah, ah  
Put on your brakelights, you're in the city of wonder  
Ain't gon' play nice, watch out you might just go under  
Better think twice, your train of thought will be altered  
So if you must falter be wise  
Disturbia, it's like the darkness is light  
Disturbia, am I scaring you tonight?  
Disturbia, ain't used to what you like  
Disturbia, disturbia
