Let the Fire Fall

Carman

Lord we are the ones called by your name.
We humble ourselves now as we pray.
Renouncing every sin and wicked ways.
We lift our voice and seek your face and say.

Lord send the rain.
Pour out your spirit.
Let the fire fall.
Heal us one and all.
Fall fresh on me.
(x2)

Holy, Holy spirit
Let the fire fall
Heal us one and all
fall fresh on me
