

# Got To Get You Into My Life (Glee Cast Version)

## Glee Cast

was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I  
Could see another kind of mind there  
Ooo, then I suddenly see you  
Ooo, did I tell you I need you?  
Every single day of my life  
You didn't run, you didn't lie  
You know I wanted just to hold you  
And had you gone, you knew in time  
We'd meet again for I had told you  
Ooo, you were meant to be near me  
Ooo, and I want you to hear me  
Say we'll be together every day  
Got to get you into my life  
What can I do, what can I be?  
When I'm with you I want to stay there  
If I'm true I'll never leave  
And if I do I know the way there  
Ooo, then I suddenly see you  
Ooo, did I tell you I need you?  
Every single day of my life  
Got to get you into my life  
I got to get you into my life  
I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I  
Could see another kind of mind there  
And suddenly I see you  
Did I tell you I need you?  
Every single day
