

Miss Maybelle

Cashman

Woh, Miss Maybelle let me be your hoppin' frog,
Sitting by the water, sleep in a hollow log
Woh, Miss Maybelle let me be your hoppin' frog.
I got 10 little puppies & 12 little shaggy hounds
Take them 22 dogs to run Miss Maybelle down
Woh, Miss Maybelle let me be your hoppin' frog.
Woh, Miss Maybelle walkin' down the street.
Who'd like to meet anyone fit to eat.
Woh, Miss Maybelle walkin' down the street.
Hey, there's moonlight shinin' through the trees.
Look at that woman with the dress a-bove her knees.
Woh, Miss Maybelle walkin' down the street.
My telephone keeps on ringin'
Miss Maybelle must wanna speak to me.
My telephone keeps on ringin'
Miss Maybelle must wanna speak to me.
Miss Maybelle must wanna speak to me.
