

# Heartaches, Heartaches

## O.V. WRIGHT

Started out like in the movies  
But it ended like a bad dream  
Curtain opened, heard the crowd roar

This one's a repeat, seen it beforeRewind to the start before it all went wrong

What's going on?Fast forward to the end, after everyone's gone home, ohAnd they've forgotten it allThis ain't a movie that I wanna see

A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
This is heartache on the big screen  
The clock is ticking, and I'm out of time  
The camera's rolling, and I forgot my lines

My script is ripped and now I seeThis is heartache on the big screen  
This is heartache on the big screenCurtain closes on this clichÃ©  
A good story of a bad day

Back to square one, where I started

As I stand here, broken heartedFast forward to the end, after everyone's gone home, ohAnd they have forgotten it allThis ain't a movie that I wanna see

A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
This is heartache on the big screen  
The clock is ticking, and I'm out of time  
The camera's rolling, and I forgot my lines

My script is ripped and now I seeThis is heartache on the big screenIf Hollywood could see me now  
I'd get the starring role

But they won't so I'll just keep on acting a foolThis ain't a movie that I wanna see

A tragic story, starring you and me  
Yell "cut", we're stuck inside this scene  
YeahThe clock is ticking, and I'm out of time  
The camera's rolling, and I forgot my lines

My script is ripped and now I seeThis is heartache on the big screen  
This is heartache on the big screen  
This is heartache on the big screen
