

# Pleasure and Pain

**Ben Harper**

I'm leaving here on the morning train  
And I will never see this world again  
Oh, and I have felt pleasure and I have felt pain  
And I know now, I can never be the same  
How I wonder why the world can be so, be so cold  
And if only good die young then left with me cruel here to grow old  
Oh, and I have felt pleasure and I have felt pain  
And I know now, I can never be the same  
So if someday I find my peace of mind  
I will share my wealth with all of human, human kind  
Oh, and I have felt pleasure and I have felt pain  
And I know now, I can never be the same  
So if the sun does shine or rain does fall  
I give thanks, I've had my sight to see through it all  
Oh, and I have felt pleasure and I have felt pain  
And I know now, I can never be the same
