If You're Scared

Together Pangea

Go and do what you want
whatever you wanna do
you won't get very far
with a shitty attitudeYou can hide if you want
if you're scared
you can hide if you want
if you're scaredGo and do what you want
whatever you wanna do
you won't get very far
with a shitty attitude
Let's start again
i'm not your friend
let's give it up
all hope is lostYou can hide if you want
if you're scared
you can hide if you want
if you're scaredYou can hide if you want
if you're scared
you can hide if you want
if you're scared
You can hide if you want
if you're scared
you can hide if you want
if you're scared
