Cake

Skeme

Rich young niggas always
All that really matter is the cake
I could take your bitch any day
Cause she know all that matter is the cake
I want the 10 bottles and the ace
All that really matter is the cake
My shooter get to aimin' at your face
Cause they know all that matter is the cake
All that really matter is the cake
All that really matter is the cake
He ain't touchin' down a check get out the way
All that really matter is the cake
All that really matter be the guap boy
Rag tied to the front like a Hot Boy
Game colder than the winter in New York boy
Fly nigga, drop tops when it's hot boy
I used to sell the five dollar rocks boy
Now we be the richest in the spot boy
Pull up in a [?] bussin' shots boy
AK homie you don't wanna hear that chop noise
All they know the boy touchin' [?] now
Europian [?] shut the block down
I could give a fuck if niggas hate
Cause all that really matter is the cake
Rich young niggas always
All that really matter is the cake
I could take your bitch any day
Cause she know all that matter is the cake
I want the 10 bottles and the ace
All that really matter is the cake
My shooter get to aimin' at your face
Cause they know all that matter is the cake
All that really matter is the cake
All that really matter is the cake
He ain't touchin' down a check get out the way
All that really matter is the cake
All that really matter be the [?]
That money turn your main bitch into a groupie
Tell 'em hoes comin' Quentin Tarantino

Every club we hit [?] we make a movie
Any nigga play I'm [?]
Haters talkin' bout me keep my stack [?]

Show me where the dough at then show me where moe at
We with all the bullshit, now act like you don't know that
Rich young niggas always
All that really matter is the cake
I could take your bitch any day
Cause she know all that matter is the cake
I want the 10 bottles and the ace
All that really matter is the cake
My shooter get to aimin' at your face
Cause they know all that matter is the cake
All that really matter is the cake
All that really matter is the cake
He ain't touchin' down a check get out the way
All that really matter is the cake
