

Nice To Be Dead

Iggy Pop

It's nice to be dead
It's nice to be underground
Free of the ugly sounds
Of lifeIt's nice to be dead
Nice to be understood
No need for being good
That's niceHeyThey say it's cynical
To elevate the physical
So tell me, godless god
Then why are these people clods
Causing the earth
To fry
FryIt's nice to be deadLife's river flows
And when it's dry, it's dry
I can't support the lies
That bind me
It's nice to be dead
Nice to be dead
It's nice to be dead
