

Angered Kids

Kid Cudi

Hello, hello doctor, doctor, doctor
There's something wrong inside of me
There's something, I don't know doctor, help me
Well is there, is there something I can do?
No remorse, no remorse
Got a couple buttons I'm trying to find
And some hand grenades
No remorse, no remorse
You never should've angered the kids
(Yeah)
Your darkness is coming
Your darkness is coming
Yeah let's get into this
No remorse, no remorse
Sounds like you wouldn't believe
The darkness is coming
The darkness is coming
Oh you fools start running
Dead man walking Right foot left foot
Left foot right foot
The darkness is coming
And guess what is running
Fools start running
Dead man walking
