Thought you said that I could never ever make it,  
Always riding riding jock, sitting back and faking,  
Never thought that I could take the ride around,  
Now you're riding jock saying,  
"ay ayo H-Town, help us out man"

Chorus:

Now you're sick, now you're sick you silly trick  
[you can't fade me]  
Now you're sick, now you're sick you silly trick  
[no you can't fade]  
Now you're sick you're sick you silly trick  
[on you]  
Now you're sick, now you're sick you silly trick

So it was me, to sing a song  
But you tried to play a brother, like you're playing donkey kong
