

Wanderin'

Eddy Arnold

(Wanderin' wanderin' mhm)My father is an engineer my brother drives a hack

 My sister takes in washin' and the baby bolls a jack

 And it looks like I'm never gonna cease my wanderin'

(Wanderin' wanderin' mhm)I've done a lotta wanderin' early and late

 From New York City to the Golden Gate

 And it looks like I'm never gonna cease my wanderin'

(Wanderin' wanderin' mhm)Been a working on a railroad been a working on a farm

 But all I got to show for it is a muscle on my arm

 And it looks like I'm never gonna cease my wanderin'

 (Wanderin' wanderin' mhm)
