fly

MONKEY MAJIK

Leaving on that 7: 30 train, I don't know how far I'll go.
Round in circles just as long as I would tell you, I am alone but we could be.
Tell me something I haven't heard before, expect for when you shut me down.
Remember when we stayed up all night drinking whiskey.
I know that you've been waiting.
I'll see you on the other side.Oh! We're better off alone, I told you once before,
so don't knock on my door, you'll see it if you will,
but I don't wanna know.
I'm feeling so resentful.
I wanna fly
Fly me up so high
Take me to the skies
I won't get by
