

# Dreams

## Buckcherry

I can't stay with you now  
'Cause I am so ashamed  
Didn't mean to let you down  
And tears run down my face  
Are you still in love with me?  
I need to know right now  
'Cause I'm still in love with you  
I wanna be in your dreams, in your dreams  
Just wait and see, you can  
Count on me, count on me  
I know just what you're after  
My heart keeps beating faster  
I wanna see you in my dreams  
I am trying to change  
But something's in the way  
I take all of the blame  
And hate the things I say  
Do you still feel the same?  
I need to know right now  
'Cause I know it's hard to change  
I wanna be in your dreams, in your dreams  
Just wait and see, you can  
Count on me, count on me  
I know just what you're after  
My heart keeps beating faster  
I wanna see you in my dreams  
Lay your head on my shoulder  
And I won't let you go, yeah, yeah  
I'm not falling under 'cause I know  
That it's hard to find, yeah, yeah  
When I'm down, I reach for the sky  
And sometimes I wanna cry, yeah, yeah  
Are you still in love with me?  
I need to know right now  
'Cause I'm still in love with you  
I wanna be in your dreams, in your dreams  
Just wait and see, you can  
Count on me, count on me  
I know just what you're after

My heart keeps beating faster  
I wanna see you in my dreams  
Lay your head on my shoulder  
And I won't let you go, yeah, yeah
