Odd One (unplugged)

Sick Puppies

Odd one, you're never alone
I'm here and I will reflect you
Both of us basically unattached to anything
Or anyone unless we're pretendingYou live your life in your head
Some call it imagination
I'd rather focus instead on anything
Except what I'm feeling, what I'm feeling
Odd oneAye, it's gonna be okay
Aye, we're gonna laugh at this one dayOdd one, I wish I was you
You're never concerned with acceptance
We are all desperately seeking out
And fitting in with anyone who will accept us
But not you, odd oneAye, it's gonna be okay
Aye, we're gonna laugh at this one dayHey, it's gonna be okay
Hey, gonna laugh at this one dayAye, it's gonna be okay
Aye, we're gonna laugh at this one dayDon't let someone tell you you're no one
Don't let someone tell you you're no one
Odd one
