

Moondance

Celtic Thunder

Well it's a marvelous night for a moondance
With the stars above in your eyes.
Fantabulous night to make romance
'Neath the cover of October skies.
And all the leaves on the trees are falling
To the sound of the breezes that blow.
And i'm trying to please to the calling
Of your heartstrings that play soft and low.
And all the night's magic
Seems to whisper and hush.
And all the soft moonlight
Seems to shine, in your blush.
Can I just have one more moondance with you, my love!
Can I just make some more romance with you, my love.
Well I wanna make love to you tonight
I can't wait 'till the morning has come.
And I know now the timing is just right
Straight into my arms you will run.
And when you come my heart will be waiting
To make sure that you're never alone.
There and then all my dreams will come true love
There and then I will make you my own.
And everytime I touch you
You just tremble in time.

And I know how much you want me
That, you can't hide!
Can I just have one more moondance with you, my love!
Can I just make some more romance with you, my love.
[Piano Solo]And all the night's magic
Seems to whisper and hush.
And all the soft moonlight
Seems to shine, in your blush.
Can I just have one more moondance with you, my love!
Can I just make some more romance with you, my love.
Well it's a marvelous night for a moondance
With the stars above in your eyes.
Fantabulous night to make romance
'Neath the cover of October skies.

And all the leaves on the trees are falling
To the sound of the breezes that blow.
And i'm trying to please to the calling
Of your heartstrings that play soft and low.
And all the night's magic
Seems to whisper and hush.
And all the soft moonlight
Seems to shine, in your blush.
Can I just have one more moondance with you, my love!
Can I just make some more romance with you, my love.
