

# Straitjacket

## El Caco

Something so benign from me  
Construed as cruelty  
Such a difference between  
Who I am and who you see  
Conclusions you come to of me  
Routinely incorrect  
I don?t know who you?re talking to  
With such fucking disrespect  
This shit?s making me crazy  
The way you nullify what?s in my head  
You say one thing, do another  
And argue that?s not what you did  
Your way?s making me mental  
How you filter askewed interpret?  
I swear you won?t be happy 'til  
I am bound in a straitjacket  
Talking with you?s like  
Talking to a sieve that can?t hear me  
You fight me tooth and nail  
To disavow what?s happening  
Your resistance to a mirror  
I feel screaming from your body  
One day I?ll introduce myself  
And you?ll see you?ve not yet met me  
This shit?s making me crazy  
The way you nullify what?s in my head  
You say one thing, do another  
And argue that?s not what you did  
Your way?s making me mental  
How you filter askewed interpret?  
I swear you won?t be happy 'til  
I am bound in a straitjacket  
Grand dissonance  
The strings of my puppet are cut  
The end of an era  
Your dis-crediting?s lost my consent  
This shit?s making me crazy  
The way you nullify what?s in my head  
You say one thing, do another

And argue that's not what you did  
Your way's making me mental  
How you filter askewed interpret?  
I swear you won't be happy 'til  
I am bound in a straitjacket
