

# Violated

## Malevolent Creation

Kidnapped, beaten  
Raping technology  
Outrage, assault  
Tied down and forced to bleed  
Captive, naked  
Drank half the blood he drained  
Handcuffed, tortured  
Before she had escaped Now set free  
Violation  
you should die  
For this heinous type crime Cruelty, sentenced  
Due for release  
Craving the urge  
Drain his victim Kidnapped.....for this heinous crime.
