

# Mine All Mine (Tara Lyn Hart cover)

## SHeDAISY

Hey yeah yeah yeahSun kisses the windowsill  
And I am still on my second cup of pity me  
Yeah, it's been a long night chasing ghosts  
But at the most, it's been a rude awakening  
That all too late I finally see (I finally see), I see  
That it's[Chorus]  
My loss, my lonely  
My mistake, mine only  
Mine all, mine all, mine (mine)  
And it's my bad, my broken  
All my should haves left unspoken  
Mine all, mine all, mineYeah,  
I drove you to the edge of the map  
And after that , I pushed you off just to watch you fall  
You never were the bounce back kind  
But boy, this time you've proven me wrong after all  
Now I'm the one who's gonna crawl  
Cause it's[Chorus]Always thought I'd get to sorry  
But the chance has come and gone  
So if it finds its way back in  
I'll hold on, hold on, hold onMy loss ( that's my loss)  
My lonely (my lonely)  
My mistake (my mistake)  
Mine only  
Mine all, mine all  
Mine all, mine all  
Mine all, mine  
It's mine all mine  
It's mine all mine  
Yeah it's mine all mine  
All mine, all mine  
All mine, all mine(Fade)
