

# Wonderland

911

We'll be as one in wonder wonderland,  
Through my doubts,  
Hold me high,  
Through your strength,  
Tears will dry,  
Break these walls,  
That divide,  
Build a path, be my guide,  
Gotta be a will, gotta be a way,  
But only if we learn to give,  
Spread a little love cos it's never too late,  
People of the world,  
Chorus 1:  
Come together,  
We can hold it in our hands,  
A wonder wonder wonder wonderland,  
And forever united we will stand,  
In a wonder wonder wonder wonderland,  
Way oh, way oh,  
We'll be as one in wonder wonderland,  
Like that ya all!  
Sure as time,  
Times a page,  
Destiny leads the way,

And breathes new life,  
Makes a change,  
And together, we'll find a way,  
Gotta be a time, gotta be a place,  
We can make a life as one,  
Every ounce of love and hope embrace,  
People of the world,  
Chorus 2: Come together,  
We can hold it in our hands,  
A wonder wonder wonder wonderland,  
And forever united we will stand,  
A wonder wonder wonder wonderland,  
Way oh, way oh,  
We'll be as one in wonder wonderland,

way oh, way oh,  
In a wonder wonder wonder wonderland,  
When were lost,  
Help us see,  
We'll find peace,  
And harmony,  
When were lost,  
Take us home,  
To wonder wonderland,  
(Repeat Chorus)
