

# The Happening

## The Supremes

Hey! Life, look at me, I can see the reality  
'Cause when you shook me, took me outta my world, I woke up  
Suddenly I just woke up to the happening  
When you find that you left the future behind  
'Cause when you got a tender love you don't take care of  
Then you better beware of The happening  
One day you're up, when you turn around  
You find your world is tumbling down  
It happened to me and it can happen to you I was sure, I felt secure until love took a detour  
Yeah! Riding high on top of the world, it happened  
Suddenly it just happened  
I saw my dreams torn apart  
When love walked away from my heart  
And when you lose a precious love you need to guide you  
Something happens inside you The happening  
Now I see life for what it is  
It's not of dreams, it's not of bliss  
It happened to me and it can happen to you  
And then it happened  
Oo, and then it happened  
Oo, and then it happened  
Oo, and then it happened Is it real? Is it fake?  
Is this game of life a mistake?  
'Cause when I lost the love I thought was mine for certain  
Suddenly it starts hurtin'  
I saw the light too late when that fickle finger of fate  
Yeah! It came and broke my pretty balloon  
I woke up, suddenly I just woke up, so sure  
I felt secure until love took a detour  
'Cause when you got a tender love you don't take care of  
Then you better beware of  
The happening
