

# Draw the Line

## Zaki Ibrahim

i don't want favors  
i don't like government  
i don't mind takers  
i'm gonna ge'anyway

i wrote my fate  
i'm not innocent  
not a drop of my time is wasted  
i'm working with all of it

i'll find my way  
i'll find my way  
i draw my line yeah  
i draw the line  
i'll find my way  
i'll find my way  
i'll draw my line yeah  
i draw the line

i hope i take a part of this to with me to sleep  
until my life becomes what i dream  
all that i live for, (will) be there for me  
all that i live for, will be there...

i hope i take a part of this with me to sleep  
until my sight becomes what i dream  
all that i live for will be there for me  
all that i live for will be there...

i'll find my way  
i'll find my way  
i draw my line yeah  
i draw the line  
i'll find my way  
i'll find my way  
i draw the line yeah  
i draw my line

i'll find my way  
i'll find my way

i draw my line  
i draw the line  
i'll find my way  
i'll find my way  
i draw the line  
i draw my line

i don't want favors  
i don't like government  
i don't mind takers  
i'm gonna ge' anyway

i wrote my fate  
and i'm still innocent  
not a drop of my time is wasted  
i'm working with all of it

i'll find my way...  
i draw the line...
