

# A Wink and A Smile

## Adelaide Ruble

I remember the days  
Of just keeping time of hanging around  
In sleepy towns forever  
Back roads, empty for milesWell, you can't have a dream  
And cut it to fit but when I saw you  
I knew we'd go together  
Like a wink and a smileLeave your old Jalopy  
By the railroad track  
We'll get a hip, double dip  
Tip, topy, two-seat PontiacSo you can rev her up, don't go slow  
It's only green lights and all rights  
Let's go together  
With a wink and a smileGive me a wink and a smile  
We go together like a wink and a smileNow my heart is music  
Such a simple song  
Sing it again, the notes never end  
This is where I belongJust the sound of your voice  
The light in your eyes  
We're so far away from yesterday  
Together with a wink and a smile  
We go together like a wink and a smile
