

Dirty Girl (Live At Town Hall)

Eels

I like a girl with a dirty mouth
Someone that I can believe
We had a window, not open too long
But that time is good and gone And if I ever see her again
Just walking by with some new guy
I know that we will need to pretend
And hope our eyes keep telling lies Sit on the back porch and wonder 'bout her
What is she doing right now?
Making somebody a happier man
Dying her hair back to brown
Once in a while your life gets so good
Worth all the trouble of the past
That was the case but I think I always knew
Good things don't ever last And if I ever see her again
Just walking by with some new guy
I know that we will need to pretend
And hope our eyes keep telling lies
I like a girl with a dirty mouth
Know that I can trust her
We had our time but it didn't last too long
And that time is good and gone That time is good and gone
That time is good and gone
