

# Rose Mary (Version 2)

**Fats Domino**

If you see Rose Mary, tell her I'm coming home to stay  
Tell her I'm tired of travelin', I just can't go on this way  
Every night I traveled with my friends, now I'm coming home to stay  
So if you see Rose Mary tell her, tell her I'm on my way If you see Rosemary, tell her I'm coming home to stay
