

# Thank God I Found You (feat. Joe & 98°)

## Mariah Carey

I would give up everything  
Before I'd separate myself from you  
After so much suffering  
I finally found unvarnished truth  
I was all by myself for the longest time  
So cold inside  
And the hurt from the heartache would not subside  
I felt like dying  
Until you saved my life Thank God I found you (Yeah yeah)  
I was lost without you (I was lost)  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight  
Completed my whole life  
I'm overwhelmed with gratitude  
'Cause baby I'm so thankful I found you I will give you everything (Everything)  
There's nothing in this world I wouldn't do (Oh no)  
To ensure your happiness  
I'll cherish every part of you  
'Cause without you beside me I can't survive  
Don't wanna try (I don't wanna try)  
If you keeping me warm each and every night  
I'll be alright  
'Cause I need you in my life Thank God I found you (I'm thanking you)  
I was lost without you (So lost without you)  
My every wish and every dream (Every wish, every dream)  
Somehow became reality  
When you brought the sunlight (Brought the sunlight)  
Completed my whole life (Completed)  
I'm overwhelmed with gratitude (Overwhelmed with gratitude)  
'Cause baby I'm so thankful I found you See I was so desolate before you came to me  
Looking back (Looking back)  
I guess it shows that we were destined  
To shine over the rain to appreciate  
The gift of what we have  
And I'd go through it all over again  
To be able to feel  
This way (This way)  
Oh, thank God I found you (Yeah yeah)

I was lost without you (Lost without you baby)  
My every wish and every dream (And every dream)  
Somehow became reality When you brought the sunlight (Brought the light)  
Completed my whole life (My whole life)  
I'm overwhelmed with gratitude  
See baby I'm so thankful I found you  
Oh, thank God I found you  
I was lost without you  
I'm overwhelmed with gratitude (So overwhelmed)  
My baby I'm so thankful I found  
You, you  
I'm overwhelmed with gratitude  
My baby I'm so thankful I found (I found you)  
You
