

Left Hand Path

Entombed

I am my own God
Master, slave and I will be beyond the grave
No one will take my soul away
I carry my own will and make my day I am my own God
See the truth beyond
Through endless lies thy kingdom come
Glorified wisdom illumination tool
Self deceit it's the golden rule Live your life
You're gonna die your own death
There's no one above
That's gonna take your breath I dip my forefinger in the watery blood
Of your impotent redeemer
And write over his thorn torn brow
The true prince of evil
