

# Repeat

## Evan Dando

Reaching out to look inside  
I got it wrong again  
I try so hard to take your side  
Though I know you can't win  
You're on your own  
You're in the street  
Come back home  
Repeat  
Take a fall or place your bet  
It's the same damn thing  
Crushing out a cigarette  
Crack a fit of gin  
[Repeat: x2]  
If things go wrong  
Admit defeat  
If things go well  
And we got time to walk around  
Drift away on solid ground  
And take a plane to some place cold  
Or somewhere warm if we get old  
Stick to your guns  
I find my feet  
My legs won't run
