# Official Girl

## Cassie

Danja and The Clutch
I miss you, girl, I miss you, girl
I'ma make you my official girlListen, today makes it a year
Don't you think it's time that you made it clear?
You've gotta get on your biz
Tell me what it ain't or what it is, I can handle itI've had it up to here
I don't wanna pressure you, dear
I've sent back-to-back dudes away from my door
Thinking I was spoken for, not anymoreAnd I'm tired, I'm tired, I'm tired
Of being your, your unofficial girl, unofficial girl
And I'm tired, I'm tired of trying
Ooh, but I'm still your, your unofficial girlYou gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your, be your official girl, official girlSaid I wanna, wanna, wanna be your official girl
I wanna be your official girl
I wanna be your official girl, official girl, official girlIf you keep this up there's bound to be a mess
Cause I ain't really like the rest
Put to the test I could surely pass, yeah
You better do the mathI'm so stylish, so bossy
It'd be a shame to say you lost me
But if you want that, it's a wrap
And I won't look back and I won't look backAnd I'm tired, I'm tired, I'm tired
Of being your, unofficial girl, unofficial girl
And I'm tired, I'm tired of trying
Oh, I'm still your unofficial girl, unofficial girlYou gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your, be your official girl, official girlSaid I wanna, wanna, wanna be your official girl
I wanna be your official girl
I wanna be your official girl, official girl, official girl
(Said I wanna be yours, yeah)Shawty said she wanna be my official
Bang bang, dame took an old pistol
Ain't no violence, ain't no silence
'Cause she scream to the top of her, when I get on top of herSoundin' like an opera, skip, jump, hop in her
Got her feelin' popular, get her feelin' like she's
She's my official girl, yeah you so special, girl
I never dis you and I'll kiss you on your little pearlI know you know like that baby, yeah you like that baby
I know I could make you come right back baby, oh!
(Said I wanna be yours, yeah)
Official girlI miss you girl, I miss you girl

I'ma make you my official girl
You better act right
I'm two seconds from being out the doorI miss you girl, I miss you girl
I'ma make you my official girl
Said, I won't be with you unofficially anymore
And I can't make you chooseLong as you're cool on knowing
Youre bout to blow a good thing
And I ain't making ultimatums
I'ma tell you like this verbatimAnd I'm tired and I'm tired, I'm tired
Of being your unofficial girl
And I'm tired, I'm tired of trying
I'm still your unofficial girlYou gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your official girlSaid, I wanna, wanna, wanna, be your official girl
I wanna be your official girl
I wanna be your official girl, official girl, official girlI miss you, girl, I miss you, girl
I'ma make you my official girlMy official girl
Cassie you can be my official girl
My official girl, yeah
Cassie you can be my official girl, yeah
