

Official Girl

Cassie

Danja and The Clutch

I miss you, girl, I miss you, girl

I'ma make you my official girl Listen, today makes it a year

Don't you think it's time that you made it clear?

You've gotta get on your biz

Tell me what it ain't or what it is, I can handle it I've had it up to here

I don't wanna pressure you, dear

I've sent back-to-back dudes away from my door

Thinking I was spoken for, not anymore And I'm tired, I'm tired, I'm tired

Of being your, your unofficial girl, unofficial girl

And I'm tired, I'm tired of trying

Ooh, but I'm still your, your unofficial girl You gotta love me in the light and the dark

You gotta give me, give me all of your heart

I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official girl

I wanna be your official girl

I wanna be your official girl, official girl, official girl If you keep this up there's bound to be a mess

Cause I ain't really like the rest

Put to the test I could surely pass, yeah

You better do the math I'm so stylish, so bossy

It'd be a shame to say you lost me

But if you want that, it's a wrap

And I won't look back and I won't look back And I'm tired, I'm tired, I'm tired

Of being your, unofficial girl, unofficial girl

And I'm tired, I'm tired of trying

Oh, I'm still your unofficial girl, unofficial girl You gotta love me in the light and the dark

You gotta give me, give me all of your heart

I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official girl

I wanna be your official girl

I wanna be your official girl, official girl, official girl

(Said I wanna be yours, yeah) Shawty said she wanna be my official

Bang bang, dame took an old pistol

Ain't no violence, ain't no silence

'Cause she scream to the top of her, when I get on top of her Soundin' like an opera, skip, jump, hop in her

Got her feelin' popular, get her feelin' like she's

She's my official girl, yeah you so special, girl

I never dis you and I'll kiss you on your little pearl I know you know like that baby, yeah you like that baby

I know I could make you come right back baby, oh!

(Said I wanna be yours, yeah)

Official girl I miss you girl, I miss you girl

I'ma make you my official girl
You better act right
I'm two seconds from being out the door I miss you girl, I miss you girl
I'ma make you my official girl
Said, I won't be with you unofficially anymore
And I can't make you choose Long as you're cool on knowing
You're bout to blow a good thing
And I ain't making ultimatums
I'ma tell you like this verbatim And I'm tired and I'm tired, I'm tired
Of being your unofficial girl
And I'm tired, I'm tired of trying
I'm still your unofficial girl You gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your official girl Said, I wanna, wanna, wanna, be your official girl
I wanna be your official girl
I wanna be your official girl, official girl, official girl I miss you, girl, I miss you, girl
I'ma make you my official girl My official girl
Cassie you can be my official girl
My official girl, yeah
Cassie you can be my official girl, yeah
