

All I Could Do Was Cry (Re-Recorded)

Etta James

I heard church bells ring
I heard a choir singing
I saw my love walk down the aisle
On her finger he placed a ring Oh oh I saw them holding hands
She was standing there with my man
I heard them promise 'til death do us part
Each word was a pain in my heart All I could do
All I could do was cry
All I could do was cry
I was losing the man that I love
And all I could do was cry And now the wedding is over
Rice, rice has been thrown over their heads
For them life has just begun
But mine is ending Oh, all I could do
All I could do was cry
All I could do was cry
I was losing the man that I love
And all I could do was cry
