Guess How I Know

John Grant

You laughed all the way through Ordinary People, baby
That's how I knew
Something ain't right, there's no other way to say it, baby
There's something wrong with you
Made a crazy scene at the dairy queen
Only blood sausage will do
I didn't like it in Germany and I ain't gonna start liking it for youGuess how I know you're a zombie baby cause you rip my heart right out of my chest
You don't have any feelings baby
Guess how I know you're a zombie baby cause you rip my heart right out of my chest
You don't havy any feelings babyYou got real rambunctious at the restaurant
You wouldn't stop throwing food
People gonna start spreading nasty little rumours baby if you don't find a way to fix your mood
Your bed side manner makes me wanna watch Cujo baby for the 20th time
But it kinda gets me hot, kinda hits the spot, I guess it's gotta be an unforgettable crimeGuess how I know you're a zombie baby cause you rip my heart right out of my chest
You don't have any feelings baby
Guess how I know you're a zombie baby cause you rip my heart right out of my chest
You don't havy any feelings baby
Auf wiedersehen, baby
Bon voyage
I'll catch you on the flip side honey
Dasvidania
Auf wiedersehen, baby
Bon voyage
I'll catch you on the flip side honey
Dasvidania
Auf wiedersehen, baby
Bon voyage
I'll catch you on the flip side honey
Dasvidania
Dasvidania
