One

Madcon

Ey
It's all we got
Jeberg
It's all a madcon
Are you ready for the time of your life baby
Call your friends, we're 'bout to take flight
'Cause I'm feeling quite right
Ah-hah ah-hah, git
'Cause I'm feeling quite right
That's right we feel good
'Cause we're the kings and the queens of the night baby
And if somebody hatin' on you tell 'em bye
'Cause I'm living my life
Yeah yeah
'Cause I'm living my life
Yeah yeah

We 'bout to get toe up
Don't stop
Can't stop
Won't stop
'So hot
Hold up
Bring it back
We 'bout to get toe up
Don't stop
Can't stop
Won't stop
If you're ready to rock and get naughty
If you're ready to rock then let's roll

Here we come
Here we come
Here we come
Here we come

Here we come
Here we come
Here we come

Here we come

One heart
One love
Just one, one, one, one
One heart
One love
Just one, one, one, one
One hand to the sky
This dance is your life
Just one
Hands to the sky
One chance live it right
Just one
One
Chance
One dance
One life
Just one

We're in that club like no tomorrow
And we started yesterday
You see "one life" is like a motto
You're welcome to just move the gates
You know we got that- got that good people
We got that- got that right vibe
Then we're good with the -go- good with the rest, dj bring it up one time

We 'bout to get toe up
Don't stop
Can't stop
Won't stop
'So hot
Hold up
Bring it back
We 'bout to get toe up
Don't stop
Can't stop
Won't stop
If you're ready to rock and get naughty
If you're ready to rock then let's roll

Here we come
Here we come
Here we come

Here we come

Here we come
Here we come
Here we come
Here we come

One heart
One love
Just one, one, one, one
One heart
One love
Just one, one, one, one
One hand to the sky
This dance is your life
Just one
Hands to the sky
One chance live it right
Just one
One
Chance
One dance
One life
Just one

All you need is one
We can dance until we're done
We can fly, we can run
Feel alive, here we come
All you need is one
We can dance until we're done
We can fly, we can run
Feel alive, everyone

Hit'em up
Put'em up
Get low
Get high
Go

One heart
One love
Just one, one, one, one
One heart
One love

Just one, one, one, one
One hand to the sky
This dance is your life
Just one
Hands to the sky
One chance live it right
Just one
One
Chance
One dance
One life
Just one
